Thread Direction:

Right-hand

Thread Length:

0.164 inches

Length:

0.164 inches

End Application:

Marc shelter 20

Insert Size:

0.164 in od

Thready Qty Per Inch (tpi):

32

Thread Size:

0.164 inches

Material:

Stainless steel actuator arm

Material Specification:

18-8stainless steel mfr ref 1st material response actuator arm

Style Designator:

Coil

Thread Series Designator:

Unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
