End Application:

C-17 globemaster

Product Name:

Stop, thrust, positioning, or ring, stop

Special Features:

Used on tube to limit travel

Material:

Steel, mil-s-6758, cond d4

Material:

Steel comp 4130

Material Specification:

Mil-s-6758, cond d4 military specification single material response

Special Test Features:

Material is 4130 steel per sae-ams-s-6758 condition d4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T252-g

Mil-std (military Standard):

Mil-s-6758 spec.
