Shoulder Diameter:

0.437 inches

Flange Diameter:

0.500 inches

Overall Length:

0.335 inches

Hole Type:

Threaded

Features Provided:

Potting hole

Body Diameter:

0.290 inches

Insert Style:

Flush flange

Material:

Steel comp 1006

Material Specification:

66 federal standard single material response

Surface Treatment:

Cadmium

Thread Size And Series/type Designator:

0.190-32 unjf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A05400
