Casehardening Indicator:

Not casehardened

Outside Diameter:

Between 64.2 millimeters and 65.3 millimeters

Ring Style:

Internal

End Application:

Predator

Usage Design:

Internal

Product Name:

Metric internal retaining ring, or circlip

Special Features:

Finish phosphate and oil

Material:

Steel

Material:

Steel

Surface Treatment:

Phosphate

Surface Treatment:

Phosphate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T252-g
