**Overall Length:**

0.1300 inches

**End Application:**

Eurofighter 2000

**Overall Diameter:**

0.6525 inches

**Special Features:**

Dry film lubricant on internal diameter; part is ringlike with multiple axial scallops in interior diameter; self locking

**Material:**

Nickel alloy

**Surface Treatment:**

Lubricant

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03100
