End Application:

Console balla

Turnlock Eyelet Style:

Eyelet

Largest Outside Diameter:

1.000 inches

Eyelet Inside Diameter:

0.531 inches

Special Features:

Thickness of item is 0.380 in, and diameter is 3.350 inches

Material:

Copper alloy

Material Specification:

11-n-281d, cl a, form 1 hf federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05400
