Flange Diameter:

Between 0.485 inches and 0.495 inches

End Application:

V-22; panel instalation

Flange Thickness:

Between 0.008 inches and 0.017 inches

Body Diameter:

1.000 inches

Insert Style:

Flush flange

Product Name:

Grommet, protruding head (for use in ca384027 nut plate assembly)

Material:

Stainless steel

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A05400
