**Center To Center Distance Between Mounting Holes:**

0.707 inches

**Distance Between Mounting Hole Centers:**

0.500 inches

**End Application:**

Structural assembly; suu-78a/a pylon, 74a736001-1007

**Turnlock Receptacle Style:**

Receptacle

**Receptaclelength:**

1.050 inches

**Product Name:**

(navy)receptacle, corner (drawing)receptacle-corner, floating, non-sealing(for use with quick operating, high strength fastener)(northrop use only)(3m1318)

**Material:**

Stainless steel stud

**Surface Treatment:**

Passivate retainer

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A05400
