Ring Style:

Internal

End Application:

Mh60s airborne mine countermeasure mission

Strength Rating:

225000.0 pounds per square inch tensile

Product Name:

Snap ring, aircraft

Special Features:

Bore diameter 1.500 inch

Material:

Steel, stainless

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T252-g
