**Ring Style:**

Internal

**End Application:**

Mh60s airborne mine countermeasure mission

**Strength Rating:**

225000.0 pounds per square inch tensile

**Product Name:**

Snap ring, aircraft

**Special Features:**

Bore diameter 1.500 inch

**Material:**

Steel, stainless

**Material:**

Stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T252-g
