Groove Width:

0.063 inches

Overall Height:

0.375 inches

End Application:

4935-01-136-0233; shop equipment, guided missile system

Grommet Style:

Round

Large Flange Outside Diameter:

1.875 inches

Groove Outside Diameter:

1.625 inches

Grommet Construction Type:

Solid

Product Name:

Military standard grommet

Color:

Black

Material:

Rubber synthetic

Material Specification:

Ms35489 military standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A05400
