End Application:

Valve, swing check (1.5 in) 803-1385721-71

Usage Design:

External

Product Name:

Retainer ring

Special Features:

Material documentation is astm b61 with alternative mil-f-1183j supp 1a

Material:

Bronze

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T252-g
