End Application:

1025-01-445-0991, 155mm lightweight howitzer, towed

Product Name:

Insert, screw thread, helical coil, metric series, free running , cres, dry film lubricated

Special Features:

Aerospace standard diameter is 1.5: specific finish is dry film lub per mil-l-46010, type 1; length is 9.0 mm ; mark part nbr and mfr cage per as478-37

Material:

Stainless steel

Surface Treatment:

Lubricant

Thread Series Designator:

Iso m

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
