End Application:

F-22 raptor

Thready Qty Per Inch (tpi):

32

Thread Size:

0.190 inches

Product Name:

Sleeve bushing

Material:

Iron alloy 660

Material Specification:

Ams 5731 assn standard single material response

Thread Series Designator:

Unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
