Flange Diameter:

0.280 inches

End Application:

F-15 aircraft

Sleeve Diameter:

0.228 inches

Hole Type:

Threaded

Flange Thickness:

0.080 inches

Insert Style:

Protruding flange

Product Name:

Nut, plain, spline

Material:

Stainless steel

Thread Size And Series/type Designator:

0 unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05400
