Inside Diameter:

0.256 inches

Ring Style:

External

End Application:

Stryker m8-light armored vehicle

Product Name:

Black phosphate steel external retaining ring

Special Features:

Thickness 0.025 inches; black

Material:

Steel

Material:

Steel

Surface Treatment:

Phosphate

Surface Treatment:

Phosphate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T252-g
