End Application:

Ultra bilge water separator, model us5000-md, 440-480v, 60 hz, 3 ph, 120 control

Usage Design:

Internal

Product Name:

F/c port retaining ring

Special Features:

Nha is 8 inch spir-o-lator housing, double element

Material:

Steel, stainless

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T252-g
