End Application:

5890-01-568-2669

Special Features:

Hook and loop; polyethylene and nylon; plain backed; 0.120in in thickness when mated; 23 psi shear strength; 0 to 200 degree f temperature range

Fiber Material:

Nylon

Color:

Black

Length:

10.000 inches

Width:

1.000 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A45400
