

View Online at <https://aerobasegroup.com/nsn/5325-01-599-2195>

**End Application:**

5890-01-568-2669

**Special Features:**

Hook and loop; polyethylene and nylon; plain backed; 0.120in in thickness when mated; 23 psi shear strength; 0 to 200 degree f temperature range

**Fiber Material:**

Nylon

**Color:**

Black

**Length:**

10.000 inches

**Width:**

1.000 inches

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A45400
