Overall Height:

0.230 inches

Product Name:

Self-lock mushroom-head fastener, super-duty adhesive back

Special Features:

Thickness: 0.140 inches ; mated thickness: 0.230; locks onto itself no need for separate hook and loop; uv resistant polyefin material; apply above 68.0 degree f, super duty adhesive back temperature range: minus 20.0f to 200.0f

Color:

Black

Material:

Plastic

Width:

0.500 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A45400
