**Overall Height:**

0.230 inches

**Product Name:**

Self-lock mushroom-head fastener, super-duty adhesive back

**Special Features:**

Thickness: 0.140 inches ; mated thickness: 0.230; locks onto itself no need for separate hook and loop; uv resistant polyefin material; apply above 68.0 degree f, super duty adhesive back temperature range: minus 20.0f to 200.0f

**Color:**

Black

**Material:**

Plastic

**Width:**

0.500 inches

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A45400
