Groove Depth:

0.100 inches

Groove Width:

0.090 inches

Overall Height:

0.175 inches

Overall Width:

0.155 inches

Tab Width:

Between 0.057 inches and 0.072 inches

Grommet Style:

Edging

Width Between Tabs:

Between 0.057 inches and 0.072 inches

Grommet Construction Type:

Solid

Grommetlength:

7.000 inches

Product Name:

Grommet, plastic edging

Color:

White

Material:

Plastic

Material Specification:

Nas-21266 national specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05400
