Thread Direction:

Right-hand

Thread Length:

0.215 inches

Length:

0.215 inches

Overall Length:

0.215 inches

End Application:

B-1

Insert Size:

.086-56

Thready Qty Per Inch (tpi):

56

Thread Size:

0.086 inches

Product Name:

Insert, screw thread helical coil, free running tangless

Material:

Steel comp 304

Material Specification:

Ams7245 assn standard single material response

Style Designator:

Coil

Thread Series Designator:

Unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
