Thread Direction:

Right-hand

Thread Length:

2.75 inches

Length:

0.112 inches

Insert Size:

Size designation: 04cn

Thready Qty Per Inch (tpi):

40

Thread Size:

0.112 inches

Overall Diameter:

Between 0.144 inches and 0.159 inches

Product Name:

Heli-coil threaded insert

Special Features:

Material: stainless steel; thread: free running, course

Material:

Stainless steel

Surface Treatment:

Cadmium

Style Designator:

Coil

Thread Series Designator:

Unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
