Thread Direction:

Right-hand

Overall Width:

0.560 inches

Length:

0.690 inches

End Application:

Kc-46a tanker

Overall Diameter:

0.499 inches

Product Name:

Insert, threaded

Special Features:

Allows near flush installations with no need for special hole preparations such as counter sinking or dimpling

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
