Cross-sectional Height:

Between 0.194 inches and 0.200 inches

Center Hole Diameter:

Between 1.757 inches and 1.762 inches

Peripheral Diameter:

2.047 inches

Color:

White

Material:

Plastic polytetrafluoroethylene

Material Specification:

Ams 3651 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
