Cross Sectional Shape:

Rectangular

Overall Length:

60.750 inches

Cross-sectional Height:

0.120 inches

Cross-sectional Width:

0.115 inches

Special Features:

Packaging shall be to level b and packing to level c of mil-p-23199

Material:

Wool comp 12r1

Material Specification:

C-f-206 federal specification single material response

Departure From Cited Designator:

As modified by feature

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
