Special Features:

4 holes 0.0325 in. Dia, equally spaced on largest end, 0.125 in. From end

Material:

Copper alloy 606 or copper alloy 614 or copper alloy 630 or copper alloy 642

Material Specification:

Qq-b-679 federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
