Hole Diameter:

0.250 inches

Outside Diameter:

5.120 inches

Cross-sectional Thickness:

0.062 inches

Bolt Hole Quantity:

6

Special Features:

4.250 in. W hex aperture

Material:

Rubber chloroprene class cr

Material Specification:

Mil-std-670, type s, class sc, style e, grade sce military standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-std-670 spec.
