Attachment Method:

Slot

Attachment Feature Quantity:

1

Attachment Feature Length:

Between 0.490 inches and 0.500 inches

Attachment Feature Width:

Between 0.314 inches and 0.318 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
