**Cross Sectional Shape:**

Rectangular

**Fabrication Method:**

Solid

**Length:**

9.000 inches

**Cross-sectional Height:**

9.000 inches

**Cross-sectional Width:**

0.625 inches

**Lubrication Material:**

Graphite

**Material:**

Carbon, mil-p-18493, class 2

**Material:**

Carbon

**Material Specification:**

Mil-p-18493, class 2 military specification single material response

**Specification Or Standard:**

2 medium class

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A26800

**Mil-std (military Standard):**

Mil-p-18493 spec.
