NSN 5330-00-192-6280

Nonmetallic Strip Seal - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5330-00-192-6280

Cross Sectional Shape:
Rectangular
Fabrication Method:
Solid
Overall Length:
30.000 inches
Attachment Method:
Cemented
Cross-sectional Height:
0.125 inches
Cross-sectional Width:
0.625 inches
Construction:
Solid
Material:
Rubber chloroprene class cr
Material Specification:
Ams 3198 assn standard single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A032a0
