Cross Sectional Shape:

Rectangular

Overall Length:

20.031 inches

Overall Width:

0.370 inches

Cross-sectional Height:

0.310 inches

Cross-sectional Width:

0.370 inches

Special Features:

Fungus proof/treated and water resistant treated

Material:

Wool comp 16r1

Material Specification:

C-f-206 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
