Cross Sectional Shape:

Square

Overall Length:

60.000 inches

Overall Width:

0.120 inches

Cross-sectional Height:

0.120 inches

Cross-sectional Width:

0.120 inches

Material:

Wool comp 16r1

Material Specification:

C-f-206 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

n va

Unit Of Measure:

Demilitarization:

No

Fiig:

A032a0
