Cross Sectional Shape:

Square

Overall Length:

60.000 inches

Overall Width:

0.500 inches

Cross-sectional Height:

0.500 inches

Cross-sectional Width:

0.500 inches

Special Features:

Color-white and fungus resistant

Material:

Wool comp 12r1

Material Specification:

C-f-206 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
