Hole Diameter:

0.562 inches

Overall Length:

6.250 inches

Overall Width:

5.500 inches

Center To Center Distance Between Bolt Holes Along Width:

3.500 inches

Center To Center Distance Between Bolt Holes Along Length:

2.500 inches

Cross-sectional Thickness:

0.031 inches

Material:

Paper and glue and glycerin

Material Specification:

Hh-p-96 federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
