Width:

1.750 inches

Thickness:

0.125 inches

Length:

600.000 inches

Strengthening Feature Material:

Asbestos fabric

Environmental Protection:

Steam and water resistant

Strengthening Feature:

Insert

External Strengthening Feature Location:

Both sides

Insert Quantity:

1

Color:

White

Material:

Asbestos

Material:

Asbestos

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A26800
