Cross-sectional Height:

Between 0.245 inches and 0.255 inches

Center Hole Diameter:

Between 0.371 inches and 0.373 inches

Peripheral Diameter:

Between 0.551 inches and 0.553 inches

Special Features:

4 notches equally spaced

Material:

Plastic polytetrafluoroethylene

Material Specification:

Turcon zz-53, fscm 25220 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
