Cross-sectional Height:

Between 0.067 inches and 0.073 inches

Center Hole Diameter:

Between 0.140 inches and 0.150 inches

Material:

Rubber

Material Specification:

1120, fscm 91265 mfr ref single material response or n506-7, fscm 92003 mfr ref single material response or 1145a, fscm 05179 mfr ref single material response or bc-8, fscm 25184 mfr ref single material response or 4580, fscm 07322 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
