Width:

48.000 inches

Thickness:

0.250 inches

Length:

324.000 inches

Strengthening Feature Material:

Brass

Environmental Protection:

Heat, dry

Strengthening Feature:

Interwoven wire

Special Features:

Treated w/heat resistant white cement

Color:

White

Material:

Asbestos

Material:

Asbestos

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
