Cross-sectional Height:

1.060 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-200/3 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Qq-a-696 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
