**Cross-sectional Height:**

1.060 inches

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-200/3 federal specification single material response

**Surface Treatment:**

Anodize

**Surface Treatment Specification:**

Qq-a-696 federal specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
