Cross-sectional Height:
1.060 inches
Material:
Aluminum alloy 2024
Material Specification:
Qq-a-200/3 federal specification single material response
Surface Treatment:
Anodize
Surface Treatment Specification:
Qq-a-696 federal specification single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A032a0
