Fabrication Method:

Solid

Smooth Finish Surface Location:

External

End Application:

Nsn 2320-01-318-9902 het (heavy equipment transporter); part of cab assembly nsn 2510-01-354-5446; nsn 4210-01-486-1035 tfft (tactical fire fighting truck); nsn 2320-01-097-0260 hemtt (heavy expanded mobility tactical truck)

Construction:

Solid

Special Features:

Strip, locking

Material:

Rubber synthetic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
