Cross Sectional Shape:

O-ring

Cross-sectional Height:

0.060 inches

Center Hole Diameter:

2.942 inches

Color:

Black

Material:

Rubber chloroprene class cr

Material Specification:

670, gr 315 military standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
