Fabrication Method:

Solid

Attachment Method:

Round hole

Attachment Feature Quantity:

4

Attachment Hole Diameter:

0.437 inches

Construction:

Solid

Material:

Steel comp 1008 backing or steel comp 1009 backing or steel comp 1015 backing or steel comp 1018 backing or steel comp 1020 backing or steel backing

Material Specification:

Qq-s-698 federal specification all material responses backing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
