Cross Sectional Shape:

O-ring

Cross-sectional Height:

Between 0.110 inches and 0.120 inches

Center Hole Diameter:

2.732 inches

Material:

Plastic

Material Specification:

L-p-508, style d, type 3, gr hp, cl 1, finish d federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
