| Cross Sectional Shape:              |
|-------------------------------------|
| Rectangular                         |
| Nonmetallic Hardness Rating:        |
| Not rated                           |
| Min. Tensile Strength (psi):        |
| Not rated                           |
| Tempurature Rating:                 |
| Not rated                           |
| Length:                             |
| 600.000 inches                      |
| Surface Condition:                  |
| Smooth                              |
| Cross-sectional Height:             |
| 0.625 inches                        |
| Cross-sectional Width:              |
| 0.156 inches                        |
| Environmental Protection:           |
| Oil resistant and weather resistant |
| Color:                              |
| Black                               |
| Material:                           |
| Rubber, chloroprene                 |
| Material:                           |
| Rubber chloroprene class cr         |
| Shelf Life:                         |
| N/a                                 |
| Unit Of Measure:                    |
|                                     |
| Demilitarization:                   |
| No                                  |
| Fiig:                               |
| A26800                              |
|                                     |
|                                     |
