Cross Sectional Shape:

Rectangular

Nonmetallic Hardness Rating:

Not rated

Min. Tensile Strength (psi):

Not rated

Tempurature Rating:

Not rated

Length:

Any acceptable

Surface Condition:

Smooth

Cross-sectional Height:

1.000 inches

Cross-sectional Width:

0.190 inches

Environmental Protection:

Any acceptable

Special Features:

Adhesive backed on one side

Color:

Black

Material:

Rubber, synthetic

Material:

Rubber synthetic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
