Cross-sectional Height:

Between 0.245 inches and 0.255 inches

Center Hole Diameter:

Between 0.621 inches and 0.623 inches

Special Features:

2 optional notches on each side

Material:

Plastic polytetrafluoroethylene

Material Specification:

Turcon/zz-53 fscm 97820 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
